

DIRECTOR OF DEVELOPMENT and ADMINISTRATOR of the New York office of *Keren Or*, an Israeli educational and rehabilitative Center for blind children and young adults with multiple disabilities.

The primary role of the professional Director of Development is to implement a hands-on multi faceted fund raising program (annual giving, major gifts, planned giving, etc) including cultivation and solicitation, and an integrated marketing program. The Director will coordinate his/her work with the Israel Center and the Board of Directors.

Candidates with a minimum of 5 years of successful fund raising experience, exceptional human relations and public relations skills, who are achievement orientated and dedicated, are invited to submit their C.V. for consideration.

Compensation and benefits are competitive and commensurate with experience.

Submit resumes and enquiries via e-mail to: resume@keren-orny.org or by fax to 206 666-2832.
