Over

Leadership

Welcome **Dr. Joshua Holo**, our new Dean, as he shares his vision for the next generation of Jewish community leaders.

Legacy

Hear from our students as to why they want to become Rabbis, Jewish Educators, and Jewish Communal Service professionals. What inspires them to want to serve the Jewish people?

Learning

Experience how our Faculty Members are adapting our centuries-old teachings to the 21st century with a hands-on experience on campus using modern technology, texts and theory.
