RITUAL DIRECTIONS.

DIVINE SERVICE opens in the evening as usual on Sabbaths; in the morning, at 9 o'clock.

The sections from the Pentateuch are read in a style agreeable to modern delivery and without calling any person to it. The minister and the two officers of the congregation have to do all the מצות connected therewith.

The congregation rises at ברכו. קדושה. הפלד. עלינו and on the opening of the ark.

It is no more necessary to wear a TALITH in the temple than anywhere outside thereof. The commandment refers by no means to any particular place. As a memorial it will suffice that the minister wear it.

This book is intended that one minister read the whole service.

The Hebrew melodies are the same as used heretofore; for the English and German, new music is composed.
