Director's Cut

The Tartak Learning Center strives to make its collection easy to browse, its space easy to navigate, and its material appropriate for your needs. We're always looking for ways to improve our service to you: online, in print, and in person.

- Do you have recommendations of materials for us to acquire?
- Have you designed lessons or activities (for learners of any age and ability) that you want to share?
- Have you discovered a great website that others should know about?

Please share your suggestions! You can leave hard copies in the Tartak Learning Center office, or email your submissions to tartak@huc.edu. Thanks!
